

SCHOOL COMMUNITY COUNCIL

Meeting Held: Tuesday, Sep. 25, 2018, 9:30 a.m., Westside Conference Room

Members in Attendance: Lori Pruitt, Shannon Arroyo, Ginger Whitney, Athena Hammer, Heather Robinson, Kari Kieffer, Mike Owens

Parent Concern: Mrs. Housley would like the kindergarten door unlocked from 12:20-12:35 p.m. each day so parents do not have to walk students from the front office. For safety reasons, the door MUST remain locked during school hours. However, it was discussed that Mrs. Housley could possibly coordinate parent volunteers to monitor the door. A schedule of the volunteers would need to be provided to the office and parents would need to check in and out at the office. Mrs. Pruitt will check with the district office to receive approval for this option.

(After discussion with district leaders and Westside team leaders, the option of having parent volunteers monitor the kindergarten door each day was NOT approved. Mrs. Jensen, the kindergarten team leader, will instead put pictures and arrows in the hall to help guide students from the front office to the kindergarten classrooms.)
