

**WESTSIDE ELEMENTARY  
SCHOOL COMMUNITY COUNCIL**

**Meeting Held:** Wednesday, Oct. 28, 2020, 9:30 a.m., Westside PD Classroom

**Members in Attendance:** Lori Nielsen, Shannon Arroyo, Andrew Lovell, Sarah Judd, Marilyn Boucher, Marci Smyth, and Athena Hammer

**Approved Last Meeting's Minutes**

**New Members:** Marci Smyth; no response from Janay Thornton; no response or attendance from Brenda Granzini yet this year; Shannon will contact both and possibly invite Shelly Ann White to participate, if needed;

**Approved and Signed 2020-2021 Title 1 Family Engagement Policy**

**Approved and Signed 2020-2021 Title 1 Schoolwide Plan**

**Reviewed Student-Parent-Teacher Compact:** decided to remove signature lines, change format, change the word 'parent' to 'family', added a line about a compact being an agreement to share responsibility for student learning among the student, family, and school

**Other Business:** Athena Hammer has been running Math Olympiads for the school, but this is her last year because her students will be going to middle school next year. The school is looking for a parent volunteer to replace her; someone who could co-teach with her this year and take over next year would be ideal.

**Next Meeting:** Wednesday, Nov. 18, 2020, 9:30 a.m., Westside Professional Development Classroom
